

BLOCKSHADE

Architectural Shade Cloth

Aplicaciones

La versatilidad de los tejidos, aunado a su alta tecnología, convierten a los textiles BlockShade® ideales para la mayoría de sus proyectos arquitectónicos, aportándoles un valor agregado gracias a su amplia gama de colores y características físicas.

Manejo

- El polietileno de alta densidad es muy estable y no es tóxico.
- Se recomienda realizar costuras en las confecciones.
- Se puede utilizar con cables de acero en las bolsas confeccionadas.
- También puede ser ojillado.
- No se debe vulcanizar.
- Prácticamente libre de mantenimiento.

Nota: la malla sombra no es un producto impermeable.

CERTIFICACIONES

BlockShade® es un producto que cuenta con múltiples certificaciones, las cuales la convierten en una marca con calidad excepcional, BlockShade® garantiza el origen de sus productos, seguros y con una calidad diferenciada.
